

Deleting Cookies and Cache Files in Internet Explorer

For assistance contact the LBNL Help Desk at HLP@lbl.gov

1. From Internet Explorer **Tools** Menu, Select **Internet Options** and be sure you are on the **General** tab.

2. Click the **Delete Cookies** button, all “cookie” files will be deleted.
3. Click on the **Delete Files** button.
4. Check the “Delete all offline content” box and click OK, all IE cache files will be deleted.
